

Finding Peace and Healing

A week of events with the Franciscan Sisters of the Renewal

The Franciscan Sisters of the Renewal follow a way of life very similar to that of St Francis of Assisi, who joyfully proclaimed the Gospel whilst living a life free from worldly goods. Sisters from the community in Leeds (pictured), accompanied by one of the Friars of the Renewal, will be at St Clare's at the beginning of Lent for a week of events, helping us to experience the Lord's peace, healing and love.
